Castle 3572 Montpellier

STYLES collection privée - Nestled in a park of almost 1.7 hectares, between Nîmes and Montpellier, this sumptuous Venetian-style château is surrounded by a formal garden - with its ancient Anduze vases, olive grove, fountains and basins - giving it its romantic character... This 18th-century château, steeped in history, offers over 800 m² of living space. Various reception rooms, several bedrooms, most with en-suite bathrooms, and 250 m² of ancillary spaces: a large workshop, a cellar and a chapel, among others... Listed as a historic monument for its roofs, facades and garden-floor salons, the building has been entirely restored by an interior designer, and boasts unique decor of rare refinement: mosaics, paintings and woodwork. As the furniture is necessary for the show, this property is sold partly furnished with its interior and exterior elements. Almost 2.5 hectares of wooded grounds opposite the château complete this unique, timeless setting. Superb! Not subject to ECD
