House 3741 Saint-Rémy-de-Provence

Superb contemporary design with masterly lines, located within walking distance of the center of Saint Rémy, in a quiet, private estate. Built on a landscaped plot of almost 1300m², the property features spacious interiors that let in plenty of light throughout the day. Large bay windows create a highly successful indoor/outdoor effect, which is further enhanced by outdoor spaces that are treated "like interiors", so you can enjoy the mild Provencal weather all year round. A high-end, connected, lock-and-go property, more than rare: so quiet and close to the center of Saint Rémy, its shops and activities. Other properties available in this private estate of 6 detached houses, on request.
