House 4030 Saint-Rémy-de-Provence

Just a few minutes from the center of Saint-Rémy-de-Provence, this lovingly renovated Provençal farmhouse blends timeless charm with modern comfort. Nestled in the heart of a carefully maintained landscaped garden, the property flourishes under the shade of a century-old plane tree, creating a peaceful and refined atmosphere. The living spaces, flooded with natural light through large arched windows, are arranged around a welcoming lounge, a spacious dining room with a stone fireplace, and an elegant, fully equipped kitchen complemented by a pantry. The farmhouse offers five bedrooms, including four suites with private bathrooms, and a ground-floor bedroom, perfect for hosting family and friends with ease. Outside, the swimming pool area (12 x 4 m) and its covered terrace invite relaxation in the shade. Every detail has been designed to fully enjoy the beautiful Provençal days in a tranquil setting. An authentic farmhouse, blending elegance and the art of living, available at STYLES.
