Come and discover this unique property located in the heart of one of the most sought-after villages in the area offered to you by Styles. On entering the large gates we enter a medieval and romantic property, calm and secluded, and ready to cast its charm upon you. Set in the shape of an 'L' the property envelops a serene courtyard with pool. One wing offers the main living accommodation with a vast living room, partially carved into the rock which forms the village. There is also a second more intimate reception room with tv and fireplace and a generously sized kitchen with dining area opening onto the beautiful courtyard. Stairs lead to the master suite complete with balcony overlooking the pool, a bathroom, dressing room and office. Upstairs is a further bedroom and reception room. The second wing which can be completely independent, offers two suites each with their own bathroom and stairs lead to a further two bedrooms with bathrooms offering stunning views over the village and surrounding countryside. There is also a wonderful covered terrace offering similar views. Above the entrance courtyard is a magical suspended garden offering shade and greenery. Below is a huge garage and cellar space. The property is ideal as a family home or as a guest house activity.
