Townhouse 3381 Toulouse

Toulouse centre, Very nice address in the heart of a sought-after area for this amazing townhouse from the 1930s, entirely renovated by an architect, in a contemporary spirit. Pure, minimalist and mineral, the atmosphere is peaceful... On three levels, it consists of a large living room on the ground floor, with an open-plan kitchen, extended by a pleasant landscaped courtyard... A real "inside-outside" effect. A storage room that can be used as an office completes the level. The oak staircase leads to the upper levels and serves four beautiful bedrooms, a bathroom, a shower room and a dressing room. The exterior has a lounge area, a dining area and an outbuilding that can be used as a workshop, studio or other... The house is equipped with a pellet stove and a solar water heater, allowing for minimal consumption. A quality renovation, mixing original elements with a contemporary atmosphere, the house offers all the necessary comfort. Close to all amenities, its location is ideal.
